

**THIS MAP SHOULD BE READ IN CONJUNCTION WITH:
MINOR FLOOD WARNING - KATHERINE
and MODERATE FLOOD WARNING - GORGE ROAD**

INFORMATION ON FLOOD EXTENT

The Advice for Minor Flood Warning for Katherine and Moderate Flood Warning for Gorge Road is issued when the level of the Katherine River at Nitmiluk Centre is 5.5 metres and rising but not exceeding 6.5 metres.

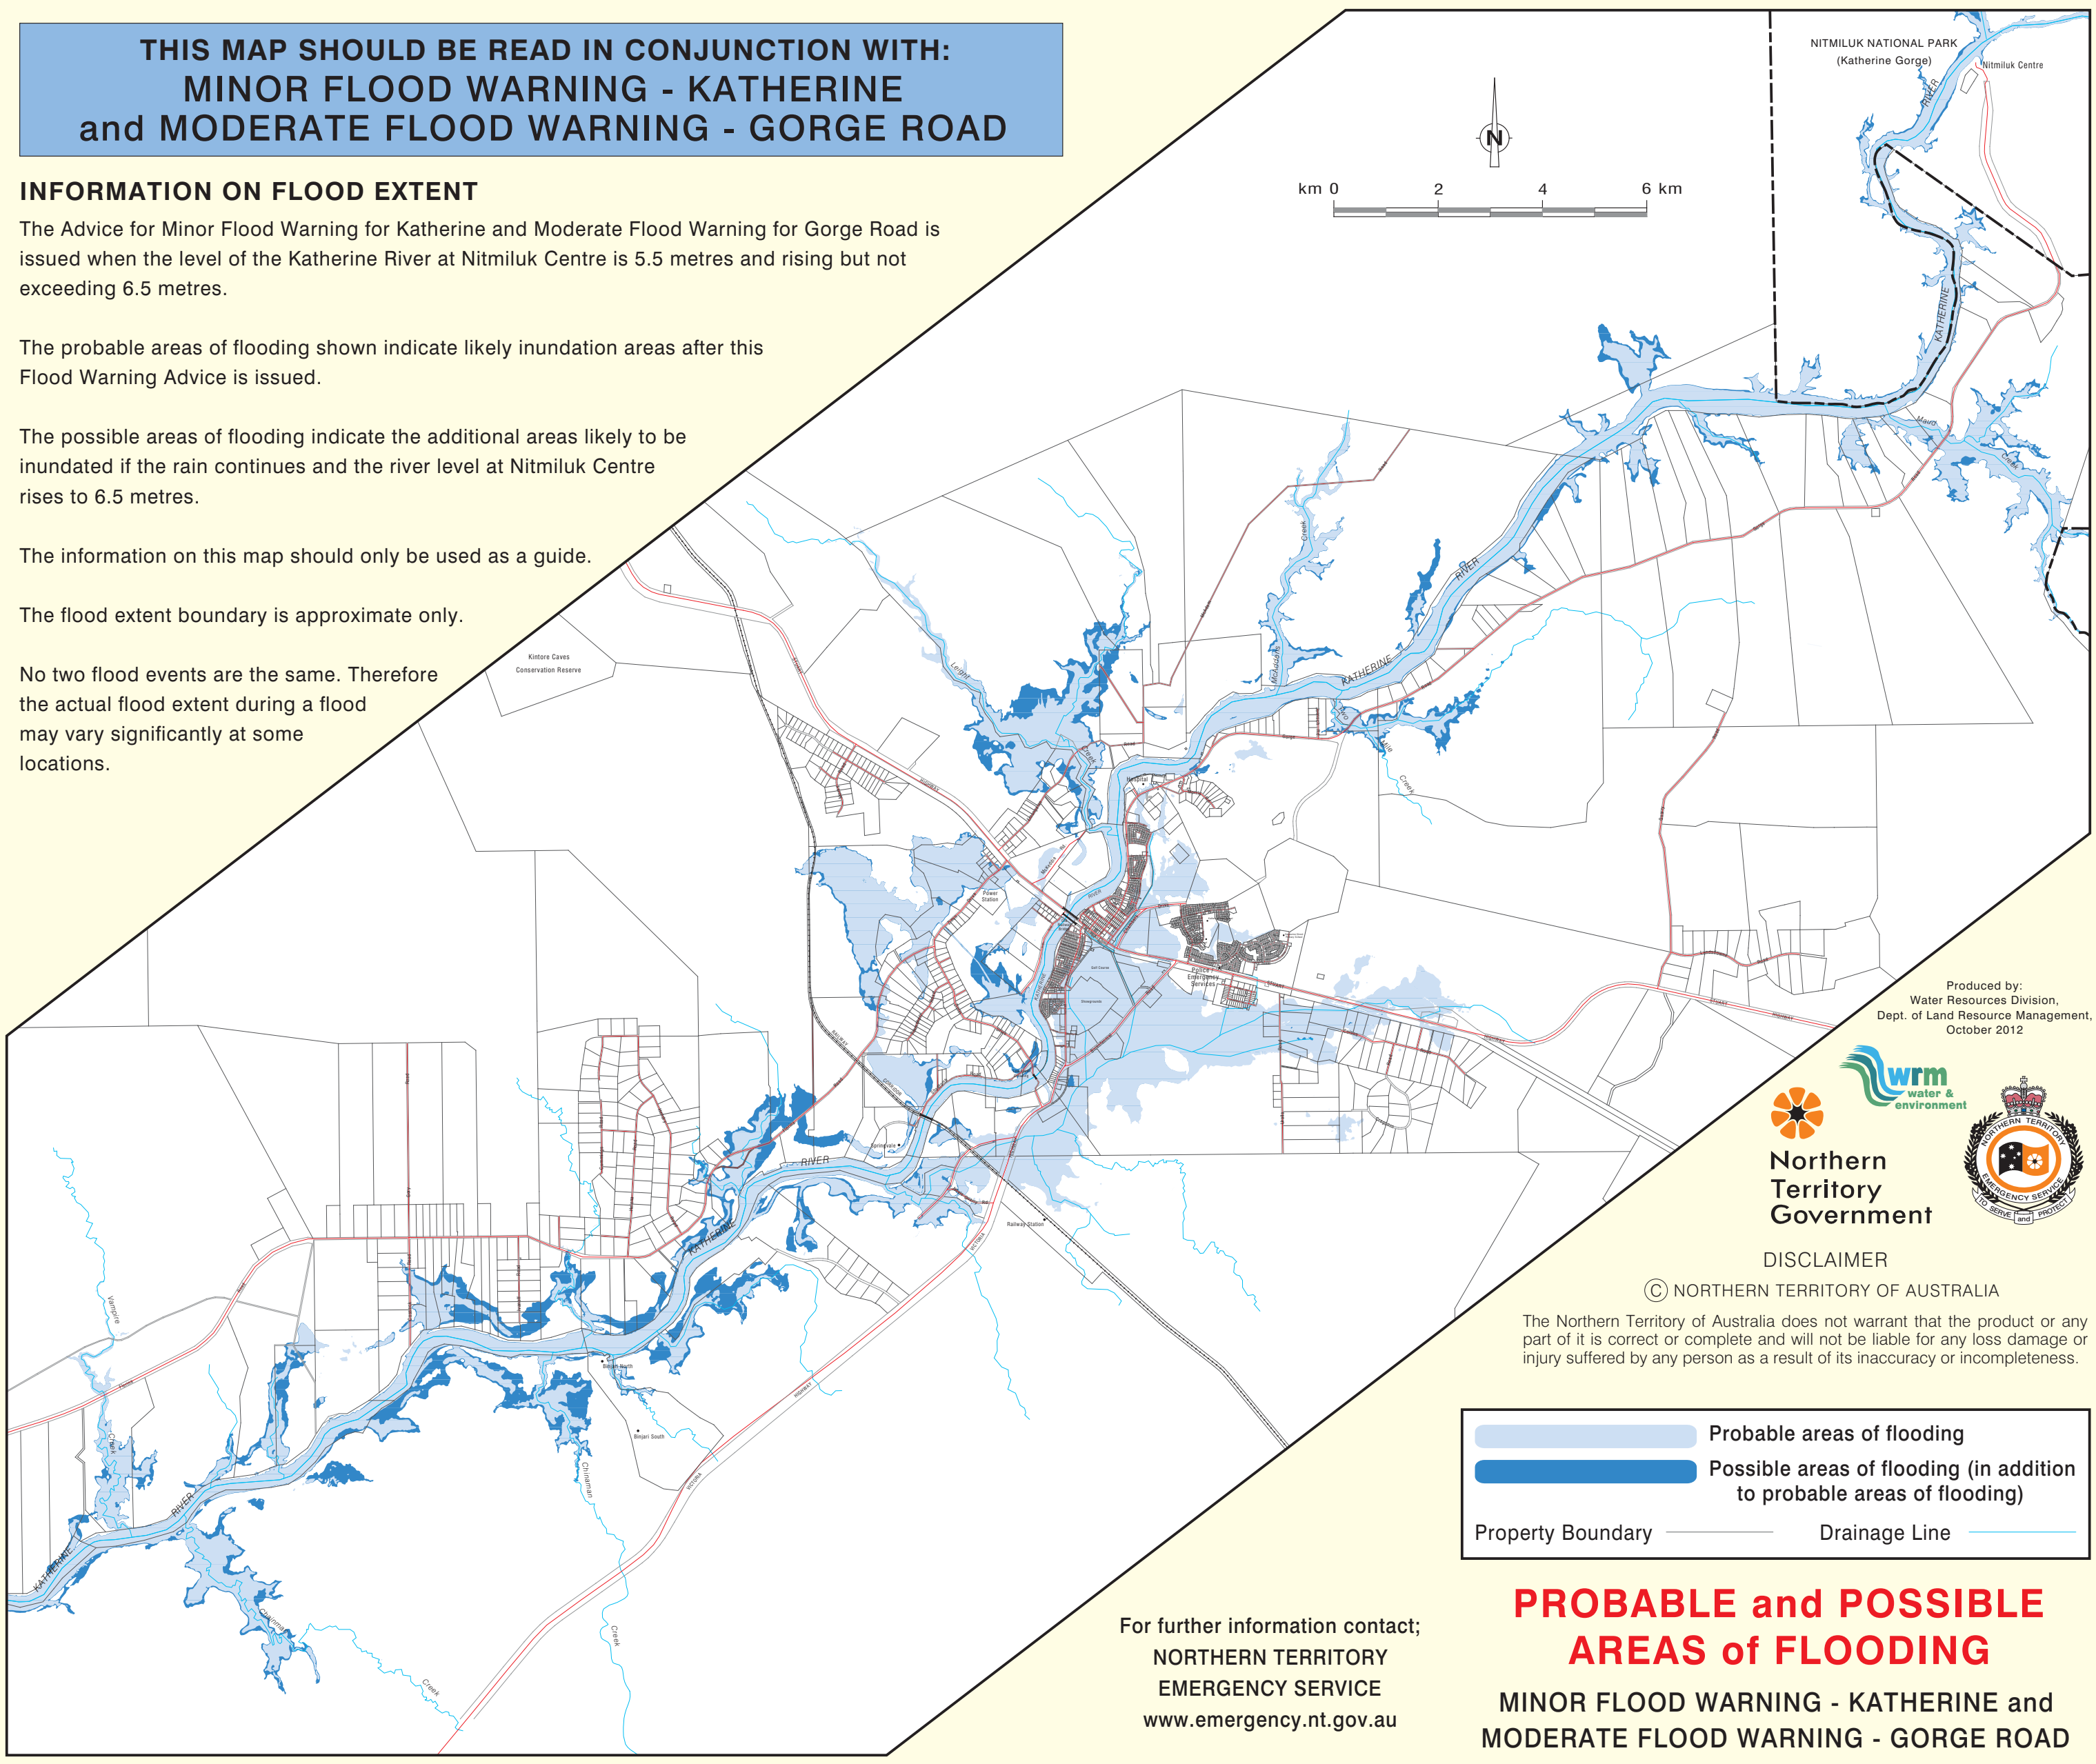

The probable areas of flooding shown indicate likely inundation areas after this Flood Warning Advice is issued.

The possible areas of flooding indicate the additional areas likely to be inundated if the rain continues and the river level at Nitmiluk Centre rises to 6.5 metres.

The information on this map should only be used as a guide.

The flood extent boundary is approximate only.

No two flood events are the same. Therefore the actual flood extent during a flood may vary significantly at some locations.
